## **Savant Capital Management to Host “Creating an Ideal Estate Plan” Seminar**

**Rockford, IL (October 12, 2016)** – [Savant Capital Management](#) is participating in National Estate Planning Awareness Week, a week designated to help the public understand what estate planning is and why it is such a vital component of financial wellness.

Estate planning is one of the most overlooked elements of financial wellness. It is estimated that more than half of Americans – 56 percent – do not have an up-to-date estate plan. As a result, Savant is hosting a “Creating an Ideal Estate Plan” seminar that will be held on Tuesday, Oct. 18 at NIU Rockford, 8500 E. State Street. The seminar will focus on the following important estate planning topics:

- Ways to protect your assets in the event of death or disability;
- How to save or reduce estate and income tax that may otherwise be due at death;
- Ways to provide for the efficient transfer of your real and personal property; and
- The importance of reducing or avoiding conflict among your heirs, while avoiding court involvement in the administration of your estate.

The seminar is free for attendees, but pre-registration is recommended. To register or for more information, visit [savantcapital.com/calendar-of-events](http://savantcapital.com/calendar-of-events) or call 815-227-0300.
